ČESKÉ STOPY V TRENTINU

PROVINCIE NA SEVERU ITÁLIE MÁ S NÁMI SPOLEČNÉHO DALEKO VÍČ, NEŽ SI DOKÁŽEME PŘEDSTAVIT

TEXT MARTIN BARTKOVSKÝ

Mezi Bolzanem a známým Gardským jezerem (Lago di Garda) se nachází italská provincie **TRENTINO** (česky Tridentsko). V zimě si tu lyžaři užívají nekonečné sjezdovky v Dolomitech. V létě se ve stejných horách mučí cyklisté na trasách etap Giro d'Italia. Při výletech tu ale český turista velice záhy zjistí, že má s obyvateli Tridentska společného mnohem víc, než by si dokázal představit, a že tu neustále kráčí v českých stopách.

DO TRIDENTSKA můžete přicestovat letadlem, nejbližší letiště jsou v Miláně či Benátkách a cesta sem pak trvá ještě další tři hodiny. Až později si zjistíte, že ten jejich Nicola da Brana je také „naše“ Mikuláš z Brna. Církvní hodnostář a významný vládce tohoto regionu.
